Experience

[Intern at Avipam Turismo e Tecnologia TDL](#); São Paulo, Brazil- Summer 2018

In charge of creating a social responsibility project for the company. Worked alongside three other interns. Responsible for contacting non profit organizations. Helped organize an event at a home for less fortunate children as well as arrange monthly visits to that same home.

- This internship helped nurture my communication and organizational skills.

[English teacher at Rocinha After School Activities](#); Rio de Janeiro, Brazil- 2015-2017

Taught English to kids from Rocinha, a slum in Rio de Janeiro. Worked with underprivileged kids from the age of seven to eighteen teaching them beginner and intermediate english. Wrote both worksheets and tests for all courses taught. Eventually became in charge of picking teachers and assigning students to the correct classroom.

- This job helped strengthen my leadership and organizational skills.

[Meditation leader at The Hill School](#); Pottstown, Pennsylvania- 2018-2019

Led weekly meditation services at The Hill School, my previous boarding school. Had to learn how to work with large amounts of students at the same time, since meditation classes were attended by over twenty students in a weekly basis.

- Taught me management skills.

[Varsity Basketball player at The Hill School](#); Pottstown, Pennsylvania- 2017-2019

Part of the Girls Varsity Basketball team.

- Daily practices as well as weekly tournaments taught me how to manage my time wisely.

- Being on a team strengthened my team working skills.

- Playing a competitive game gave me the ability to work under pressure.
